924mm (Gate and Door Stop)

MEASUREMENT KEY:

 **POSTS -**
Superior Range posts are **68mm** square.
Ultimate Range Posts are **80mm** square.

 **DOOR STOP -**
The Door Stop is **1800mm** high L Shape.

 **HINGES -**
You will receive 4 plates. You will receive 2 for the hinges and 2 x Back Plates. Please note occasionally some holes may require re-aligning but this is why we include both front and rear plates.

If your accessories box includes one of the above, please note the design has been changed and this is no longer required as the door latches shut into the Door Stop.

Please note, the colours shown are for measurement purposes
